Putteridge Bury

Hitchin Road, Luton, Bedfordshire
01582 489069

If you're using a Sat Nav, please input the postcode LU2 8DL.
This will take you towards the Butterfield roundabout on the A505 (the Hilton Garden Inn is a prominent feature), and from there you can follow the road signs for *"University of Bedfordshire - Putteridge Bury Campus"*.

FROM M1: Exit at Junction 10 and follow the signs for Hitchin (A505).
The entrance is signposted soon after the Butterfield roundabout, and a slip road allows a right turn across the traffic.

The signpost is on the nearside of the road and may be partially obscured by trees, the slip road is quite narrow, and traffic on the A505 builds up speed quickly. **It's advisable to get into the right hand lane as soon as you can after the Butterfield roundabout, and indicate that you intend to turn right.**

If you miss the turn, take the exit to Gt. Offley and double back on the dual carriageway.

FROM A1(M): Exit at Junction 8 and follow the signs for Hitchin (A602). Then follow signs for Luton (A505).
The entrance is signposted just before the Butterfield roundabout. If you miss the entrance, carry on to the roundabout and double back on the dual carriageway.

To allow you to time your arrival, lunch is scheduled as 12.00 for 13.00.
We understand that travel times may be disrupted by roadworks and traffic delays, but please note that, for operational reasons, access to the dining room will not be possible before 11.45.

The long driveway to the main buildings has speed bumps at fairly short intervals, so it's advisable to drive slowly. Towards the end of the drive, parking spaces are marked out in a chevron pattern on both sides of the road. These are occupied on a first-come-first-served basis, and you could find yourself with a longish walk - but there are disabled parking spaces and a closer overflow parking area on the right hand side as you approach the main building. There'll be an A-board outside to direct you to the event and a steward to help you find your way.

The entrance to the banqueting area is through the glazed doorway shown above.
Directly in front of you is a small lift for those who can't manage the short flight of steps to the right.

There is a small cloakroom area outside the banqueting room. Please remember that the Club is only providing ONE drink per person, on arrival. Other drinks and wine may be purchased from the Bar ***(card only payments)***. You'll find the Bar to your right in the main room, and we shall gather in that room before the meal.

Seating plans will be displayed so that you can find your table, and we'll have tried to accommodate all of the specific requests from those of you who wanted to sit together. The caterers have been given the table plans and menu choices in advance, and are relying on these to organise the service **so please don't move any of the placecards**.

~~~~~~~~~~~~~~~~

When you leave the site at the end of the event, there is no right turn on to the dual carriageway. Please take care at the exit, as the traffic coming from your right often approaches at high speed.

If you need to get back towards Hitchin, you should drive to the Butterfield roundabout and double back on the dual carriageway.
